New Look. New Vibe. New Location.

Come visit us at 126 Beale Street!

Taking residence in the 108-year-old structure at the northwest corner of Second and Beale, the new Hard Rock Cafe Memphis will include iconic memorabilia, the latest in sound capabilities and a larger stage space, exciting decor that will be perfect for hosting your next big bash!

As part of the brand's commitment to the preservation of music history, Hard Rock will donate a portion of the building, free of charge, to be used as the new Memphis Music Hall of Fame. Hard Rock will also help get Memphis' newest attraction started by loaning the Hall of Fame Memphis-centric items from its world-famous memorabilia collection.
